On the evening of January 19<sup>th</sup>, the Boys & Girls Clubs of San Dieguito Foundation Board of Directors hosted a reception at The Inn at Rancho Santa Fe for the Board of the Rancho Santa Fe Foundation. There were nearly 40 people in attendance and it was a wonderful opportunity to meet others in our community who serve non-profit organizations.

Doug Allred, President of the Boys & Girls Club Board introduced his board members and Christy Wilson, Executive Director of the Rancho Santa Fe Foundation did the same. Many anecdotes and stories accompanied these introductions, and a good time was had by all.

The Boys & Girls Club of San Dieguito has been a grantee of the Foundation for nearly 20 years. They were the first grantee outside of the community to receive funds and we have provided more than \$40,000 in grants over the years. The evening was beneficial because both organizations share a long history and each board is committed to working together to further mutual goals in the future.
