On November 16, 2005, the Board of Directors of the Rancho Santa Fe Foundation held a board retreat for the purpose of reviewing the growth of the Foundation in the last three years and to prepare for the future. Nancy Jamison, Executive Director of San Diego Grantmakers and an experienced development professional in her own right, was the facilitator.

For the fifth year, The Inn at Rancho Santa Fe hosted the Annual Board of Directors Dinner for the Rancho Santa Fe Foundation. This dinner follows the Annual Meeting of the Board and provides an opportunity for the newly elected members to meet other Board Members and their spouses. The Foundation is extremely appreciative of The Inn's generosity and would like to thank Kerman Beriker, his staff and Murray Hutchison for their continued support of our work in the community.
